

Brixmor Ribbon Cutting Celebration

Earlier in 2018, we announced that Brixmor Property Group, one of country's largest commercial retail leasing providers, relocated its regional office from Alpharetta to Roswell, bringing 50 jobs to the city.

Brixmor owns the retail center Holcomb Bridge Crossing. The company rightsized the center's anchor, PGA TOUR Superstore, and converted 12,000 square feet of the property into office space for Brixmor's new regional office.

In September, we celebrated Brixmor's new space with a ribbon cutting. We're excited to welcome Brixmor as a new corporate citizen and are honored to have been part of helping them and PGA TOUR Superstore collaborate to repurpose and utilize the big box retail space.
