

New Businesses in Roswell Corners

As of this month, construction is complete and signage is up for all four new tenants in the new 9,000-square-foot outparcel development in the Roswell Corners shopping center on the corner of Highway 92 and Hardscrabble Road—where the Target and Fresh Market are located.

Deka Lash, an upscale eyelash extension studio, has officially opened its doors to the public.

The three remaining tenants—Five Guys, 1,000 Degree Pizza, and Sirius Day Spa—should all be open within the next 60 days.

The outparcel development has been under construction since summer of 2018.
